

# Field of Light

March 2014 Spring Equinox Retreat  
with Mary Saint-Marie and Angelique Pera

Realize The Illumined Self...NOW

An invitation to experience a 4 day retreat, immersed in the sacred sanctuary  
that is Mount Shasta.

An invitation to realize your Inner Being and allow IT free expression as your  
very Life. The One Life.

An invitation to Being the Ever-Present Illumination...that Already IS.

An invitation to realize the Mystical as the Practical...and Beauty...it comes...

Be in your True Identity  
and

Witness the Animating Presence Arise in and AS your Life

Realize this powerful gift:

Beliefs, negative thoughts, conditionings and so-called problems are 'surfacing'  
to be seen and dissolved in the Illumination of your own Being.

Realize this powerful gift:

Uncover what causes you to leave this sacred True Identity in your Soul Center and  
enter the chaos of humanity's mis-creations and mis-identifications, entering the  
realm of fear and the ensuing suffering.

Angelique Pera, Mary Saint-Marie and Edward Maesen  
will offer ways to attune to your True Identity,  
the I Am Awareness, that Life flows.

Join us at beautiful Mount Shasta Resort, with views of the mountain, on Lake Siskiyou  
and with its own restaurant and nearby walking trails. Close to town.
